## ROAD SAFETY

If you or your child cycle to school please get off your bikes and walk on the pavement and come into school through the pedestrian gate - not the big gates. We have had a few near misses recently where parents and children walking in the road have narrowly missed being hit by cars coming into the car park.

## DIWALI - Hindu Festival of Light

During the week beginning 5<sup>th</sup> November, Mr & Mrs Suthakaran explained the meaning of Diwali to the Foundation Stage classes. They brought Diwali lamps and Sari's which the children dressed up in. They also brought Diwali sweets which the whole school shared. We would like to thank them for their time and effort in making this a memorable experience for the whole school.

## Please remember

*that school starts at 8:50 and children should not be at school before 8:40 as they are not supervised unless they are in Breakfast Club*

## Thank you!

to all those parents who help and support us whether it's donations to school, helping in classes, or coming to parents evenings. We are very grateful.

## School meals

Please remember that hot meals have to be ordered a week in advance - it is not possible for them to be requested on a day to day basis. If your child forgets their lunch we will ring you to ask you to bring it in.

Also it would be helpful if you could spend some time helping your child to choose their meals from the menu provided. If a menu is not returned your child may get a meal they do not like.
